

# about us

*Inspired by the Harlem Renaissance of the 1920s, Harlem celebrates the joy of Toronto's cultural diversity and the art of entertaining.*

*It is a rebirth of creativity in Food, Art, Music, and Cocktails.*

*Harlem has crafted a menu that is full of flavour. The cuisine is a blend of Afro-American / Afro-Caribbean inspired dishes with a modern twist.*

# Food of Harlem

## appetizers

Most suitable for in house parties and small catered events. Our selection includes: mini fried chicken & waffles, mini roti, mini beef patties, plantain tarts, deep fried pickles, cornbread, candied plantain, rolls, & more

## set menu

Pick out your favorites and let your guests discover our soulful menu. All menu items can be added to a set menu. Prices are based on the number of items selected.

## prix fixe

Looking to give your guests more than one option? Create your own menu and let your guests choose from 1 of 4 main dishes instead of selecting for them. An option of adding app & dessert to menu is available.

## family style

With sharing in mind and highlights the idea of coming together for a meal to converse, laugh and of course get a hearty dosage of good food. All items are plated on large platters for a communal dining experience.
